Alappuzha is a district of immense natural beauty with the Arabian Sea on the west, a vast network of backwaters, lagoons and fresh water rivers crisscrossing the land. The northeast of the district by Kottayam district, on the north by Ernakulam district, on the east by Pathanamthitta, on the southeast by Kollam district. This district lies between north latitude 90 05' and 90 52' east longitude 76 17' and 76 48'.

The district was formed on 17th August 1957. It is the smallest district in area but having highest density of population (1492 /Sq.km). The total geographical area is 1414 sq. Km. The population of the district as per the Census 2011 was 2121943(provisional). This is the only district in Kerala having no high lands and forest. The district has a coastline of 82 kms.

The district is an important backwater destination attracting thousands of foreign tourists every year. Alappuzha is also famous for its boat races, beaches, marine products and coir industry.

The Alappuzha town is full of manmade canals and bridges designed for promoting trade by water and road designed by Sri. Raja Kesavadas the former Divan of State of Travancore. There was also a sea bridge in Alappuzha port for foreign trade. The city was known as 'Venice of East'. Coir and coir products, Coconut, Ginger, Pepper and Turmeric were the important items of trade through Alappuzha port in the past. With the development of Cochin port and road transport, the importance of Alappuzha port diminished. Government has taken action to renovate Alappuzha port.

A singularity of this land is the region called Kuttanad --- a land of lush paddy fields referred to as the 'Rice Bowl of Kerala' and one of the few places in the world where farming is done below sea level. Heavy rainfall, a warm humidity of atmosphere and a fairly uniform temperature throughout the year are the characteristic climatic features of the district..

The entire district has been categorized into four agro climatic regions, namely, Onattukara, Coastal belt, Southern Midland and Kuttanad region. Physiographically, the district is divided into two broad divisions' i.e. low land and midlands

The climate is moist, humid and hot in the coastal areas and is slightly cooler and drier in the interior region. The temperature ranges from 18 to 39°C. The normal annual rainfall received in the district is 2423mm

Industrial Sector

The micro, small and medium enterprises (MSMEs) sector contributes significantly to the manufacturing output and employment of the district. In fact, it provides the maximum opportunities for both self-employment and jobs next only to agriculture sector. MSMEs have been provided special support by the government due to its high employment and economic growth potential. The total number of MSME units received part-II Acknowledgement in Alappuzha District as on 31st march 2016 is 8830 Out of this, 8603 (97.43%) are Micro, 191 (2.16%) are small and 36 are Medium units. 263 units are promoted by SCs, 30 by STs 2128 by women and 6409 by others. The total investment is 109503 lakhs, the total number of employment generated is employment to 62664 persons.

7. COIR SECTOR

Coir Industry is one of the major traditional industries in the district, which provides employment to approximately 2 lakhs workers, of whom 84% are women. Out of 9078 coir units registered with coir board in Kerala 7584, are in Alappuzha. The district accounts for 95% of the coir. Many coir units suffer from the problems of low productivity, low investment and scarcity of raw materials. 'Coirfed', 'The Kerala State Coir Corporation Ltd' and Foam Mattings (India) Ltd' are the 3 public sector units in the coir sector which are situated in this district. 164 Coir societies are functioning under the coir project scheme.

There is 278.8 Acres of land under KSIDC at Cherthala taluk. The coming two Info Parks at Cherthala and Ambalapuzha will enhance the IT industries in the District. There is almost 350 acres of private land identified and that can be utilized for Industrial purposes. 'Sealab' at Seafood Park, Aroor is the only testing centre in the district.
